Larry Oswell made a motion to check on purchasing a set of aircraft scales. Ken Olson seconded motion.

Dave Grose made a motion to table the previous motion until the next meeting so that the board can get

A sampling of prices. John Voth seconded the motion.

The next chapter meeting to be held at Larry Oswell's garage on Tuesday Sept. 20, 2011 starting at 6pm with food and the metal spinning demo to follow.

John Voth reported that he had to cancel the Young Eagle rides scheduled for the Paynesville airport on Sept. 17. He stated that there were only two pilots signed up, and felt this wasn't enough to fly the mission with 50 Young Eagles already signed up.

The board would like to set 2 young eagle rally's for the next year when the yearly chapter calender is setup and also solicit ideas from the membership. They would like these ideas by the November, 2011 meeting. Meeting adjourned at 8:15pm.
