THANK YOU'S:

John Voth, Young Eagle- Co-Coordinator, received a Thank You from Bob Campbell, Manager of Museum Operations & Resident Education; and from Scott Cameron EAA Air Academy Camp Supervisor for helping to send Sloan Becker to EAA Air Academy Camp. Sloan's letter was enclosed with their letter. It reads, " Dear, EAA Chapter 551, Thank you for helping send me to EAA Air Academy Camp. I had a great time and your contribution made it possible. I hope you will enjoy a small account of what I did this week. The first day of camp was fun. Everyone played games that help communication work and confidence building . After that we did a lot in the work shop: we made wing ribs, composite wings and an instrument box we put a clock in. The day I was flying we got to go in to a B-17 Bomber before flight. While we were flying we did zerog's. I must say than you for the money to send me this Air Academy Camp." Sloan Becker

We received a "Thank you for the beautiful flora arrangement from the Grose Family." In the mail and it will be at our meeting on Monday.
