This is a fantastic service available to our members. Please utilize and provide feedback/suggestions. Let us know if there is something you would like to donate to the "Crib". What a great idea, what a great offer. As an EAA 551 member, the benefits are endless.

EAA Chapter 551 has recently purchased a set of Longacre Electronic Scales suitable for doing Weight & Balance measurements on Experimental Aircraft. You can arrange to borrow any of the items in the "Tool Crib" by accessing the EAA551 Tool Crib on our website. The Tool Crib Rules are posted on the login page and on the page listing the available items.
