Congratulations to Larry Oswell who has made the first flight of his airplane. It is a beautiful Zenith 750! Larry's workmanship is outstanding. "After 2 years and 10 months. N750PW took flight this morning. When I started building this airplane*,* the plan was to be done in a year. I only ran over my estimate a little! It turned out to be a bigger job than I had thought, but enjoyable all the same. Thanks to My Family and Friends who encouraged and helped me along the way. Thanks to Zenith aircraft for all their help also." Larry has a beautiful paint job and we hope to see him soon at fly-ins!

EAA 551 Board Board minutes 8-6-12. Meeting called to order. Dale said that the chapter trailer is missing from the Clear Lake airport. If anyone knows the whereabouts of it please call Gary at 251-1102. Tim M. has eagle flight pamphlets if anyone wants to give eagle rides to 18+ age group. August meeting at 6:30pm on Aug. 20th at the Aero club hanger. Tim M. to talk about NTSB safety proposals.

Next board meeting at the Aero club hanger Sept. 10th at 6:30pm.
