**Board Minutes: 12/5/2016 :**

Tom Hammer, President called the meeting to order at 6:30 PM. Tom asked for help from Neil Weihrauch, Incoming President of EAA Chapter 551 and Board Members present concerning various appointment of Chapter chairs of various programs. Tom and Neil will submit information to EAA National @ Oshkosh on behalf of Chapter.

Joey Schimnich was participating in meeting via Skype and suggested that Amazon will pay .05% sales to designated Non-Profit Organizations. Ben Ramler moved that we file the necessary paperwork with Amazon to be one of their registered Non-Profit Organizations. Then Chapter 551 members ordering materials from Amazon can designate that .05% of sales made to Chapter 551 members will be paid to Chapter 551. Joey also had the name of vendor in Minneapolis that discounts sales to Non-Profit Groups. We will learn more about this organization.

St. Cloud Airport is enacting a \$25.00 fee for STC Airport Security badges. Discussion was had regarding this and several members will be attending the STC Airport Advisory Meeting on regarding these fees. It was pointed out that EAA Chapter 551 members provide time, money and manpower promoting STC Airport and Aviation. We held two EAA

Young Eagles @ STC rallies in 2016 have two scheduled for 2017. We want to promote an Aviation Open house annually @ STC and held one 9/24/2016 unfortunately the ceiling prevented VFR Flight that day!
